Why use GRENKELEASING?

The situation:

Customers want to use the products they purchased immediately, but want to pay later.

Cash purchase burdens the customer's own capital and endangers their creditworthiness at their bank.

The quick and simple solution:

If they rent, customers can use the equipment without buying it.

With GRENKELEASING customers profit from favourable renting conditions with quick and effective contract handling.

Your benefits with GRENKELEASING – in a few words

Get a decision about your request within a few hours

If the credit check is positive you can grant the request to your customer without delay.

Your invoice is paid immediately

The order for the payment is given on the same day of the arrival of the complete documentation at our place.

Conclude subsequent business with comfort

We inform you in due time when the basic lease term of the contract you introduced is ending, and you could prepare the subsequent business.

Your chance to increase your turnover

With the low instalments you will convince your customers to invest more easily, more often, and in higher amounts in future.

Convince your customer – with good arguments

- :: Small financial debit and planning security due to constant monthly renting instalments
- :: Pay-as-you-earn – the renting instalments accrue parallel to the use of the rented object
- :: State-of-the-art technology due to the exchange option
- :: Preservation of the liquidity, because the acquisition costs for the new equipment will be allocated over the entire term
- :: *Perfect to use together with SPLA licensing (the lessee has to rent the equipments in SPLA licensing)*
